

## January is Human Trafficking Awareness Month

As a way to learn more about this important topic, this resource sheet has been provided for folks to expand their knowledge and find out more information on local and state resources.

*“January 2020 is National Slavery and Human Trafficking Prevention Month, as decreed by presidential proclamation. January is also known as Human Trafficking Awareness Month. It is a key time for us all as individuals to educate ourselves about human trafficking and crucially to learn to spot the signs of trafficking. It is also a time for us take these messages to our workplaces, our churches, our schools, our representatives and everywhere else.”*  
*(Hope for Justice).*

What is Human Trafficking? "U.S. law defines human trafficking as the **use of force, fraud, or coercion** to compel a person into commercial sex acts or labor or services against his or her will. The one exception involves minors and commercial sex. Inducing a minor into commercial sex is considered human trafficking regardless of the presence of force, fraud or coercion." December Campaign: You can help raise awareness of modern-day slavery! *Dressember* is a national campaign that invites folks to wear a dress and/or a tie every day in the month of December. More information on this challenge can be found [here](#).
